

T2 Passenger Pick-ups: More Time, More Spaces and Less Congestion

The pick-up area for arriving T2 passengers has been relocated across to the right-hand side of Keith Smith Avenue.

The number of pick-up spaces has increased to 51 – up from 7 spaces.

The free pick-up time has increased to 10 minutes – up from 2 minutes. Vehicles that stay beyond the free 10 minutes pay normal parking rates.

Arrangements for dropping passengers off at the T2 Departures level are unchanged. Pick-ups or drop-offs for T3 Qantas Domestic

passengers are also unchanged, although T3 passengers can use the new pick-up area if they wish.

The number of passengers using the domestic terminals has increased by more than 40% in recent years. The new pick-up area will reduce congestion and improve traffic flow.

More time, more spaces and less congestion.
